**Kyle J. Hertzfeld** made a motion to direct Law Director Dawn E. Sanderson to verbally and by written record to communicate to Zoning Inspector Eric H. Gay the importance of using due diligence, including investigative efforts before signing off on or executing Certificates. Seconded by **Karen M. Schneider**.

Having received questions from the Whitehouse Fire Department, questions from the Lucas County Building Official, the trustees reviewed the Agricultural Use Application from Duke Wheeler on behalf of Wheeler Family Farms.

**The Stables:** A determination whether the use of a building or structure is incident to the use for agricultural purposes of the property on which it is located depends on the totality of the circumstances. Review of the Agricultural Use Application left concerns. By all appearances, community perception and advertising, The Stables is being used as a Wedding Reception Hall. The facility is not incidental to or supporting farming, animal husbandry, field crop production, and so in the judgement of the Trustees, the structure is not directly and immediately dependent upon agricultural use.

**A. Leslie Disher** made a motion to revoke the Waterville Township Agricultural Use Application submitted by Duke Wheeler on behalf of the Wheeler Family Investments dated 7/5/14 and directed Township Law Director Dawn E. Sanderson to deliver by written communication to the applicant notice of the revocation. Seconded by **Kyle J. Hertzfeld**.
