PUBLIC HEARING:

Vice-Chairman James E. Fischer opened the public hearing which had been advertised for this date and time. The purpose of the hearing was to consider a request by Don Heilmann, 7645 Finzel Road, Whitehouse, Ohio, to build an 11 ft x 60 ft addition to an existing farm building. Mr. Heilmann's application for a zoning permit to build the addition was denied under Waterville Township Zoning Resolution Section 4.6.5 Setbacks of Buildings on Main County Roads: a) Setback shall be 90 feet from the centerline of existing right-of-way for Finzel Road.

Neighbor Pauline Heilmann, 7555 Finzel Road had sent a letter stating she had no objections. Also, neighbor Art Komorowski, 6621 Hempstead Mews, Dayton, Ohio had phoned and stated he had no objections.

Mr. Heilmann could not be present at the hearing, however both a son and daughter were in attendance. First the correct address is 7585 Finzel Road. Currently, most of the buildings on that side of Finzel Road are not in compliance with the 90 ft setback. The requested addition would be no closer to the road than the buildings on either side of this property. The office is currently in the north west corner of the barn and the addition is to enlarge that office. The utilities (water, electric and heat) are already to that section of the building. The county has created this hardship after most of the buildings in that stretch of Finzel Road were built.

Robert A. Hertzfeld made a motion to grant the request for a variance to build an 11 ft x 60 ft addition to the existing building at 7585 Finzel Road. Seconded by **Judith Overmyer**.
