Klumm Brothers Waste Solutions is excited to have been selected as the exclusive waste provider for Waterville Township! We have been in business since 1989 and are a locally owned and operated company in Holland Ohio. We look forward to servicing each resident with a personal touch. Klumm Brothers will continue to service the township on the same day of the week you have been serviced in the past. If you have any questions, comments, or issues please contact us!

Option 1

If you already have your own cans and only want biweekly pick up paid by the township then no further action is needed from you. We look forward to servicing you every other week.

Option 2

Klumm Brothers will rent 48 or 96-gallon totes for either trash or recycling at a cost of \$5.00 per quarter per tote and will be billed on a yearly basis (\$20.00/year).

If you would like to have WEEKLY waste pick up, you would be responsible to pay for the alternate weeks that the township does not cover. This cost would be \$21.50 per quarter paid to Klumm Brothers.

Any questions please call! 419-829-3166
